Kol Rinah Event Submission Guidelines

Time Window: An event request form should be submitted a minimum of 6 weeks prior to a regular sized event and 3 to 6 months prior to a large event (up to 1 year for a Shabbat).

1. Review Kol Rinah's "All Calendar" on the Kol Rinah (KR) website to make sure there are no conflicts. Then follow the easy instructions found under "Event Request" in the KR website Calendar heading of the menu bar. **The planner must provide all information needed for publicity.**

2. Our Rabbi and David Weber will receive the form submission and ask any clarifying questions to vet the event. Generally, in a schedule conflict, first come first served, but KR may supersede that rule for the vital interests of the synagogue.

3. Once approved, Meir Zimand will notify the event planner and enter the event on the KR calendar, beginning the publicity effort. Generally, events will get a flyer by Gary Kodner and then will be publicized (in the month prior to the event): in the Shabbat sheet and weekly e-mails, on the bima, in the Voice/EXTRA, sent to the Jewish Light and on the website and lobby display. *If there is a need to deviate from this plan or if additional PR is requested, the office will coordinate with the planner.*

Adult Education Committee presents
 "Actor Turned Congressman"

JULIUS KAHN

June 6 at 12:30 pm
 Kol Rinah Sara Myers Room 106

Learn some very interesting Jewish American history

about the career of Jewish Congressman, Julius Kahn, during the early years of the 20th century. A former actor turned politician, he represented the city of San Francisco and wrote the first selective service act (draft) prior to WWI, when no one else in congress had the political courage to do so. After he died, his wife succeeded him, becoming the first Jewish woman to serve in Congress.
